### Is your child starting school in 2025 ?

This playgroup is for children aged 4 and 5 years old who will be going to school in 2025. The program will support children and families to get ready for starting school. The focus of the group is preschool aged children but you are most welcome to bring younger children with you to the group.

The playgroup program will focus on building the key skills children need to start school with confidence, while also providing information to parents / carers about their role in supporting their child's transition into school.
