

MARCH ARTS IS HAPPENING AGAIN AT CANTERBURY HOSPITAL

WOULD YOU LIKE TO BE INVOLVED?

Last year six local artists helped us bring health and art together and completed artwork that is now on display as part of our hospital Art Gallery.

We are looking for more local artists to volunteer their time to show what being healthy means for them and their community using art during the month of March.

What is Involved

We want you to create a piece of artwork in your own time during March showcasing what being healthy means to your community.

At the end of March you will be invited to a thank you morning tea and your artwork will be permanently displayed in the hospital and be a piece in our growing Art Gallery.

We will provide a Canvas and Paints.
